### **VOLUNTARY ANNOUNCEMENT THAILAND OPERATIONS**

This is a voluntary announcement made by Top Form International Limited (the “Company”).

In light of the ongoing flood situation in Thailand, the Company wishes to update the market on the status of the Company’s operations in that country, which accounts for some 40% of total production.

The Company’s production facilities are located in Mae Sot in Tak Province, some 512 km from Bangkok and which, due to its elevation, has not been affected by the flood situation in Thailand. Operations are as normal with the workforce, plant and equipment intact.

Logistics are a concern but the Company has arranged alternative routings for transportation of incoming materials and outgoing finished goods. The operation has currently approximately six weeks work-in-progress and an additional flow of materials being successfully transported to the location.
